Celebrating Student Achievement!

The Academy of Music in Oakville and Georgetown are the only music schools in their areas to inspire their students with really cool “Musical Ladder” wristbands, trophies AND certificates that they can show off to their friends. Their teachers help them achieve a ‘challenge’ and we love to see the students faces light up when they receive their certificates.

More importantly when our students have a challenge coming up, they practice more, their parents are proud, their teachers are proud, and everybody wins! Here are some of our recent achievers:

Anika - Allegro

Rikki - Master

Charlize - Prodigy

Student of the Month - Irene
